Dear Friends, Family and Supporting Churches,

May God bless you all and give you a wonderful holiday season, as we once again celebrate God's grace and goodness in sending His Son to take our place. What a great Gift! He has been so merciful to us, when we were so sinful and undeserving. Praise His Name!

Right now we are sitting in a chalet in the mountains of NC for the Thanksgiving holidays. The beauty of the mountains, the light snow we had on Thanksgiving eve, the deer walking through the woods, and the peacefulness is refreshing and makes us so thankful for all the Lord has done in our lives.

This is our one time a year that we can get away as a family to spend some quality time together. Since our daughter is now grown up and on her own, she is not able to get away from work to join us for the Christmas teams anymore. So Thanksgiving has become a very special time to us.

We are so thankful that we have had the opportunity to travel over 5,000 miles these past few months to present MTT Ministries in numerous churches and mission conferences all over the U.S. Please take the time to look over our 2009 fall itinerary on the next page. As you can see, we have had an extremely busy but productive few months. Pray for us as we continue to try to raise support and run the ministry at the same time.

It is a blessing to have Brian and Jennifer here in Greenville as of this past summer. As we have mentioned in previous letters, they are Missionary Representatives for MTT. Since they now live in town, they are able to help us more with our extension ministry, training of ministry teams, and some of the busywork in preparing the teams before they go out. Pray for them as they will also need to raise support in order to help us fulltime.

We are convinced that this ministry is an important, effective way to spread the Gospel and encouragement believers all over the world by short term missions. And the young people that travel with us are changed for life and most go on to serve the Lord in places all over the world. So it is our desire to spread the word about MTT so even more young people will answer the call of the Lord and even more people can be reached with the Gospel.
