Since our last prayer letter we have poured many hours into the bi-annual MTT Banquet which took place on the evening of February 5th. We were amazed when we counted around 60 people who pitched in and helped us with set up and clean up, the decorations, preparing and serving the meal, the nursery, the sound system, the photography, the music, the greeting of folks at the door and the creation of a brand new video. Thanks to everyone who helped. We are so grateful for each one of you.

There were close to 300 people in attendance, which was our largest crowd ever. The outpouring of support and encouragement was overwhelming. Some great things happened that night. Several young people signed up for future MTT teams; those that were unfamiliar with MTT, learned what we do; the fund-raising resulted in additional support for the coming year; and it was a time of reunion for past team members.

It was exciting to see around 50 of our past team members in attendance. They once again had the opportunity to sing together as a group for the program. Most of the young people that have been on past teams are faithfully serving the Lord today. Of course, many live too far away to come to the banquet. But of the ones that could attend, several set up their missionary displays in the back of the room. We enjoyed a great time of "catching up" with them.

Thank you to the many folks who promised to pray for us. We definitely need it. And thank you to all who gave financially, as well. Many of you sponsored tables, gave one-time gifts, and gave pledges for the coming year(s). We are so thankful for the Lord's abundance of blessings on this ministry. It is the only way we have been able to continue reaching folks all around the world for 13 years. We are weak and lack faith, but the Lord is our Strength.

This year our guest speaker was Dr. John Vaughn. We were blessed as he renewed our vision for continuing on in the Lord's work in this ministry. Our theme this year was "Molding the Next Generation of God's Servants Worldwide." And that is what we strive to do for God's glory.

We recently organized the summer US Western team and the summer New Zealand team. Pray that we will be able to add more young people to both teams. Also, we will be organizing the NYC guy's team for this spring and the Antigua team for Christmas. Solid young people who are focused and close to the Lord are not easy to find these days. You can help us by pointing them our direction.

Bob just came back from the FBF Conference at the Wild's Christian Camp. It was a wonderful time of spiritual refreshing, a good time of fellowship with pastors, as well as a time to make new contacts for MTT Ministries.
