

### ***MTT Ministries 2017 Australia/New Zealand Trip Information:***

This is a great opportunity for training, ministry and service to the Lord Jesus Christ. It can be a life changing experience.

The dates of the trip are May 22, 2017 until August 5, 2017. During the first part of the trip we will be in Adelaide, Australia, helping a young man, Adam Gibbs, who traveled on one of our teams to Romania years ago, and who is now planting a church with his family in Australia. The rest of our time will be on both the North and South Islands of New Zealand, working with about 10 different Pastors and Missionaries. Our main contact in NZ is Jerry & Linda Craven.

The thing that sets us apart from other mission teams is the abundant amount of ministry we do, and the extensive training before and during the trip. We train in many areas, such as the following - Handchimes, Vocal Music, Instrumental Music, Teaching a Bible lesson, Preaching, Soul Winning, Running a VBS, Running a Youth Rally, Drama, Puppets, Giving an effective Testimony, Chalk Art, etc.

We started MTT Ministries 19 years ago and take out 2 to 5 mission teams a year for young people that are age 15 up through college/career age. Occasionally we take middle age and older adults and couples, as well. We have taken teams to 19 different countries. Our purpose is to train young people in numerous ministry skills, that they can use in Christian service throughout their lives to glorify God. Also, we are trying to encourage them to allow the Holy Spirit to give them a burden for the souls of others at home and abroad. And of course, another purpose is to reach people with the Gospel of Christ during the mission trip, and hopefully see souls saved and Christians encouraged.

If you would like to be a part of the team, you would first need to fill out and turn in an application and send out 3 references. You can find the application on this website, and a separate reference form for your convenience.

If you need more information, feel free to call us at [864-982-3398](tel:864-982-3398), or email us with any questions. Also, there are videos on this website that will show you exactly what we do.
