Thank you so much for your prayers and support as we traveled to Antigua in the Caribbean over the Christmas and New Year Holidays. (see Antigua photos on page 2)

### Antigua Christmas Team Update:

The Lord worked several miracles on behalf of this team. First of all, as we mentioned in our Christmas prayer letter, God supplied our need for five more team members within three days of our deadline with the airlines. It was also quite amazing that three of those who joined at the last minute came from other countries. Mrs. Ginny Layman traveled all the way from Saipan, Faith Tan traveled from Singapore, and Esther Jones traveled down from Canada. We are thankful for each one on the team. They did a fantastic job of working together for the cause of Christ. We had a few health issues, but we could see the Lord's protection through it all. It definitely caused a family-like bond among the team members. And of course, everyone made it home safely after the trip, with many experiences to tell.

The team was very busy from start to finish. Since we had an unusually short boot camp, we had to continue training in our spare time during the first part of our time in Antigua.

Here are a few of the opportunities we had to minister in Antigua. We held a three-day VBS with music, puppets, crafts, games, a missionary story, Bible memorization, Bible lessons, and a store on the last day. The team also helped in Sunday School and Church services by doing vocal music, handchimes, testimonies, and preaching, as well as puppets, verses, songs and lessons for the children. We held one youth rally, several school programs, a service at the Children's Ward in the hospital, a meeting at the Girl's Home, a service at a nursing home, and music and testimonies at a New Year's Eve Service. We also handed out many tracts.

It was a wonderful Christmas with our team members and with Nathan and Renee Owens, our host and hostess. And they graciously gave us a tour of the Caribbean Radio Lighthouse while we were there.
