Dear Family, Friends & Supporters,

Thanks so much for your prayers these past few months. We surely needed them.

The NEW ZEALAND Team

After a week of training at our home we flew out for New Zealand. God was good to us and gave us safe journeys going halfway around the world into a totally different time zone. We lost a day going over and gained it back when we flew home.

The team started out ministering at a youth camp. We helped many churches all over the North Island in children's meetings, church services, youth rallies, nursing homes, music and witnessing on the streets, tract distribution, and anything else the pastors needed us to do. Our young people handed out many tracts and flyers. Our most important mission work was to spread the Gospel everywhere we traveled. We even got a call from one pastor who said that a couple accepted the Lord as Savior as a result of the literature that our team left at their home. We were quite excited about that.

The US WEST Team

We only had three full days of training after the US West team arrived on July 8th. We headed out west in our motor coach on the morning of July 12th. Thankfully, the team cheerfully practiced a lot those first two weeks in WY, so we could be prepared to minister in many ways. During the trip we ran four Vacation Bible Schools, helped with Sunday School and church services, ran three youth rallies, handed out literature, and helped in five different churches.

During the US West Team it was exciting that 11 young people prayed and asked the Lord to forgive them of sin and to be their Savior.

Also, during our trip out West this summer, we were privileged to have one of our young men complete his internship for Maranatha Baptist University. Great job, Jacob!!

Photos & Prayer Requests on Page 2

Don't forget to see the photos of the teams in action on page two of this letter.

You will see the team members teaching, doing special vocal and instrumental music, playing the handchimes, using puppets, and acting out a drama on the life of Charles Weigle, who wrote the hymn, "No One Ever Cared for Me like Jesus." And the young men on the teams had opportunities to preach.
